

CANDLES 6: MOTH TO A FLAME

A J Moore

now cautiously anchored adjusted upgraded to tercet of
svelte stemmed stylised functionality its consciously
lustreless *less is more* union [modest black lacquered
steel undyed paraffin wax] dialled back [not so low] budget
stealth built halfway house to upward mobility's
unobserved [unadmitted?] smooth slow burning draw the
spun aspirational triple threat beacon [promotion home
ownership co-habitation] ignited mapped out by procured
understatement's soft-sold/upsold blueprint [→ cutlery →
breezy linens → flat-pack storage solutions] stoked
misplaced ambition's emboldening kindling its susurrate
self-assembly homochrome drip to cheer-led commitment
incremental conformity the smouldering sly status
inflaming trinity: office-wear acquiescent *clean lines*
couples' dinners
